Head shower 250 mm round black powdered, with QuickClean, ball joint pivoting.

Connection thread 1/2" IG

We put the highest value in the design of this wellness product focused on clear design and functionality.

Extremely flat, no screws (edge laser welded), surface matt satin. Due to the flat design of only 4 mm, there is no dripping and the 60 anti-limescale nozzles are equipped with flexible QuickClean silicone nubs ... so you can rub away limescale deposits ... for a hygienic and even shower jet. Well-cared for products stay functional and beautiful longer.
